

CATS are exciting creatures and great as domestic pets. Viva Home Shopping Mall has teamed-up with the Malaysian Cats Fancier Association (MCFA), a non-profitable organisation dedicated to the welfare of cats, by organising a special education and awareness exhibition on cat ownership and grooming.

To be held from tomorrow till Feb 29, at Viva Home Shopping Mall's Ground Floor Centre Court, the event promises great fun for pet lovers and families.

Themed, "Love Inspiration for Hope and Happiness", it will showcase more than 20 famous cat breeds from Malaysia and overseas.

With over 100 cats to be exhibited daily, shoppers will be able to see a wide variety such as Savannah, Bengal, American Short Hair, American Curl, British Short Hair, Scottish Fold, Persian, Exotic Short Hair, Russian Blue, Maine Coon, Burmese, Siamese and many more.

Cagiva Von Solembum (British Short Hair).

The main attraction of the event will be a special appearance of the African Servel Tiger (a medium-size African wildcat) on Feb 25 and 26.

As an educational and awareness programme, the exhibition is aimed at giving the public an opportunity to learn more about responsible pet ownership and the right care for their cats.

Visitors will enjoy an amazing opportunity to see the cats up close and personal and discuss the different personalities and traits of the cat breeds.

The mall's general manager, Kenny Chin, said the cat exhibition is an event not to be missed as it will feature famous breeds in Malaysia with

world championship status, some which are worth up to RM50,000.

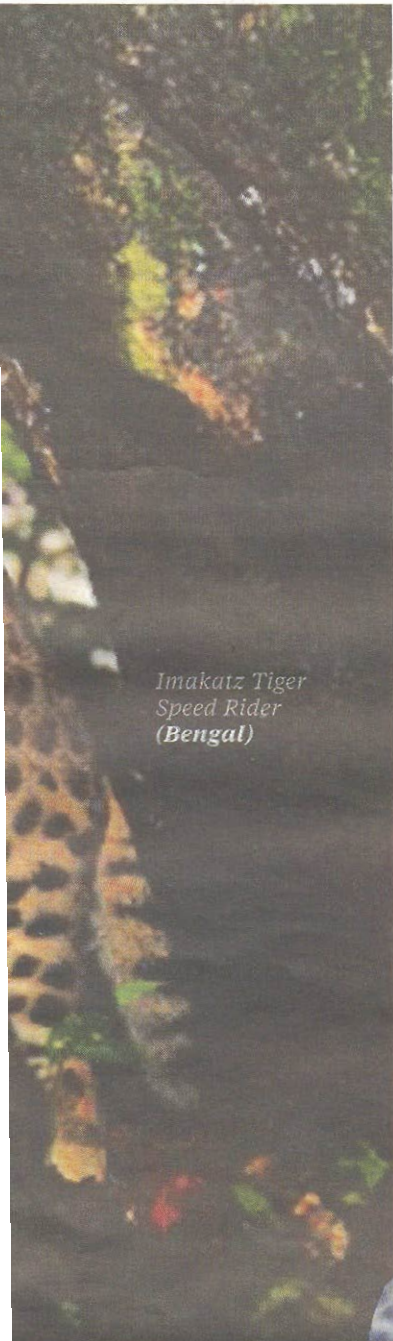

"This special exhibition is sure to generate interest and educate the public.

"It will truly provide a fun-filled event for families and pet lovers.

The exhibition will also include a variety of activities such as a cat drawing and colouring contest, cat batik colouring contest, breed talk, cat grooming sessions and a quiz session.

Visitors will also get to see a number of cat painting and batik cat-painting displays by local artists.

For further information on the exhibition, visit: <http://www.viva-home.com.my>.
