Ppl mst behave like humans  
2wards strays. The world not only  
belongs 2 human beings.

What about pet owners whose  
dogs keep barking, thus  
disturbing the peace?

Dogs that attack people are put  
to sleep. What about people who  
ill-treat dogs?

Owners shd never let dogs loose  
outside their premises. Dogs may  
become aggressive if owner not  
around.
