

# Unleashed Rottweiler a threat

WHILE jogging in Cahaya SPK one recent evening I was chased and almost bitten by a Rottweiler while its owner stood 30 ft away. He did not apologise for the attack.

I lodged a complaint with MBSA (Shah

Alam City Council) but no action has been taken. The Rottweiler is still there, moving about unleashed in Cahaya SPK. Perhaps MBSA wants to see a casualty before taking action against the dog owner.

I've made more than 10 phone calls to MBSA's office to check on the status.
