

Nothing fishy about Fama prices

The Malay Mail 30/7

SHAH ALAM: Fish sold at the Federal Agriculture Marketing Authority markets is 30 per cent cheaper than other markets, said Agriculture and Agro-based Industry Minister Datuk Seri Noh Omar. "Fish, chicken, vegetables and fruits are sold at lower prices," he said after conducting a surprise check at the Stadium Farmers Market in Section 13,

as he had been informed that the prices of fish had gone up in several farmers' markets due to a shortage of supply. He said fish was still being sold at appropriate prices, but admitted that there was not enough supply. Noh also said that the ministry would stop or reduce the export of fish if the situation persisted.
