

PROCEDURE TO IMPORT DOGS AND CATS INTO MALAYSIA

Before Bringing Dogs or Cats into Malaysia:

1. Check the breed of your dog to ensure whether it is allowed to be imported into Malaysia.

Restricted Breed of Dogs

Bull Mastiff

Bull Terrier

Doberman

German Shepard/Alsatian including Belgian Shepard and East European Shepard

Perro de Presa Canario (also known as Canary Dog)

Rottweiler

Banned Breed of Dogs

Akita

American Bulldog

Dogo Argentino

Fila Brasileiro

Japanese Tosa

Neapolitan Mastiff

Pit Bull Terrier / Pit Bull (also known as American Pit Bull, American Pit Bull Terrier, American Staffordshire Terrier and Staffordshire Bull Terrier)

2. Ensure the pet has been vaccinated against Rabies and other core vaccines as practised in the country of origin/exporting country. The vaccine must be valid upon the arrival of your pet in Malaysia.
3. Ensure the age of your pet is above 3 months old.
4. Ensure the pet is fit to travel.
5. Ensure your pet fulfils the Malaysia Import Regulations for Importation of Dogs/and Cats into Malaysia.
