

SENARAI HARGA UJIAN YANG DIJALANKAN DI INSTITUT PENYELIDIKAN VETERINAR
(Mengikut Animal Ordinance 1953)

Microbiology

Bil	Test	Price
1	Examination of faeces, pus, body fluids, blood, semen, etc.(One examination)	RM2.50
2	Sensitivity Test / Antibiotic)	RM 3.50
3	Strangles (One examination)	RM 30.00
4	Salmonella/Pasteurella Serotyping	RM 15.00
5	Examination of animal feed for export (Salmonella/E.coli)	RM 10.00

Parasite Identification/Hematology

Bil	Test	Price
1	Faecal examination for termatodes/nematodes/cestodes and copccidia (One examination)	RM 2.50
2	Faecal examination for trophozoites and cyst (amoebiasis), Entamoeba coli, E. Histolytica (one examination)	RM2.50
3	Blood examination for protozoa parasites	RM 2.50
4	Blood examination for heart worm	RM 2.50
5	Examination of organ from dogs, cats, and other small animal (One examination)	RM 2.50
6	Examination of organ from horse for protozoa parasite (One examination)	RM 20.00
7	Examination for ectoparasite (One examination)	RM 1.00
8	Complete blood picture (One examination)	RM 7.00
9	Total Red Blood Cell Count - TRBC (One examination)	RM 1.50
10	Total White Blood Cell Count – TWBC (One examination)	RM 1.50
11	Packed Cell Volume	RM 1.00
12	Haemoglobin –HB estimation (One examination)	RM 1.00
13	Differential White Blood Cell Count – EBC (one examination)	RM 2.00
14	Surra/ Tryponosoma/Piroplasmosis - (one examination)	RM 2.50

Virology

Bil	Test	Price
1	PCR -HPAI(1 cloacal swab) - One examination	RM 5.00
2	New castle Test for avian(Egg inoculation - 1 cloacal swab)	RM 2.50
3	EIA, WEE, EHV for horse(One- examination/Per- sample)	RM 2.50

Feed Analysis

Bil	Test	Price
1	Moisture, fat, crude fibre, protein, calcium, phosphorus, NFE, ash, Gross Energy - One examination	RM 20.00

Feed Analysis

Bil	Test	Price
1	Serology test (Bovine, Caprine, Cervine, Boubaline, Ovine)	Free

Biochemical Tests

Bil	Test	Price
1	Urine test(clour, specific gravity(S.G), pH, protein, glucose,ketones and microscopic examination of sediments) - One examination	RM 1.50
2	Total serum protein (including albumin/ globulin ratio) – One examination	RM 4.00
3	Blood urea nitrogen - One examination	RM 4.00
4	Serum calcium - One examination	RM 4.00
5	Serum phosphorus - One examination	RM 4.00
6	Serum Magnesium - One examination	RM 4.00
7	Serum Glutamic-Oxaloacetic Transaminase(SGOT) - One examination	RM 4.00
8	Serum Glutamic-Pyruvic Transaminase(SGPT) - One examination	RM 4.00
9	Alkaline Phosphates - One examination	RM 4.00
10	Creatinine Phoshokinase - One examination	RM 4.00
11	Total/ Direct Bilirubin - One examination	RM 4.00
12	Gamma (GT)- One examination	RM 4.00
13	Liver function test (including SGOT, SGPT, GLDh, Alkaline phosphates, total/direct bilirubin, Gamma-GT)	RM24.00
14	Kidney function test (including BUN, TP, ALB, GLO@Total Protein, Creatine phosphates, Gamma)	RM16.00

Histopathology

Bil	Test	Price
1	Dogs, cats and other small animal -1 test but less than 5 specimen	RM 15.00
2	If more than 5 specimen are examined for each test, fees for each additional specimen	RM 2.50
3	Horse for histopathology test – 1 test but less than 5 specimen	RM 20.00
4	If more than 5 specimen are examined for each test, fees for each additional specimen	RM 5.00

Biopsy

Bil	Test	Price
1	One examination	RM 5.00

Post-Mortem

Bil	Test	Price
1	Dogs, cats and other small animal one test/5 organs	RM 15.00
2	Horse (Bact, Para, Histo)	RM 100.00

Immunoassay

Bil	Test	Price
1	Nipah examination – 1 serum test (dogs, Cats and others small animals)	RM 15.00
